Alice IN Wonderland

On March 15, 1924, students were entertained by with a presentation of a play based on Lewis Carroll's *Alice in Wonderland* performed by the faculty of Meredith College. Gertrude Royster Sorrell, Director of Physical Education, was credited with the idea while Ida Poteat, art professor, created the whimsical masks and elaborate costumes. The March 21, 1924 edition of the student newspaper reviewed the show and reported that it was, "Decidedly the hit of the season" and "Faculty in curious forms produce many laughs."

Since 1924, the quadrennial performance of *Alice*, tailored for its audience of students, has become one of the most beloved Meredith traditions. Once in every College generation, students enjoy the hilarity of this literary fantasy as they struggle to identify the costumed actors.

"My wish, for you, is that this life becomes all that you want it to,
Your dreams stay big, and your worries stay small,
You never need to carry more than you can hold,
And while you're out there getting where you're getting to,
I hope you know somebody loves you, and wants the same things too,
Yeah, this, is my wish."
"My Wish" By Rascal Flatts

Letter from the Editor

As a sophomore I took on the job of being Editor-in-Chief of Oak Leaves. At the time, I had no clue how difficult the task would be. I figured it would be as easy as it was in high school, but little did I know it was much harder than that. I had to gather together a staff, and I had to somehow learn how to delegate, which is the hardest thing for me to do. But over time, I finally realized that I could not do it alone. I have the staff to thank for this book. Without them none of it would have been possible – hank you Teresa, Abigail, Chelsea, Mena, Kaamren, and Franchesca! I would also like to give a big thank you to last year's Editor-in-Chief, Julia! You were a wonderful mentor! A big thanks also to our advisor, Ms. Britt; we will miss you!

Reflections–the staff and I decided on the theme after a lot of brainstorming. We came up with this one word with the help of our Jostens Advisor Kim Trezona, whom we would also like to thank! It was simply perfect. After all, isn't that what a yearbook is? It is a reflection of the past year. It is a look back at all of the wonderful events and happenings, and each of these reflections make a Meredith girl who she is.

The freshwomen are ready to reflect on their first year of college; they get to see how they have already grown so much. They are able to identify what worked and what didn't. Finally, they experience that wonderful Meredith tradition–Fire and Water Dinner. Now, when they look at this book, they can reflect back on their first year at Meredith.

The sophomores are ready to reflect on their second year. Right now they are at their peak, deciding their major, going through many class traditions–Guardian Angel Dance, Charming Evening, Tea for Two, and Class Day, and they are continuing to search for themselves and figuring out their place in this world. They are slowly forming a new independence and understanding of themselves. When they look back through Oak Leaves, they will reflect on all the wonderful growth this year brought.

The juniors are ready to reflect on their third year at Meredith. They now have their Lil' Sis class, their beautiful onyx, and they even found the crook! When they look through this book they will be able to reminisce and relive this fulfilling year as they start becoming independent women.

Lastly, the seniors will be able to reflect on their last year; a year full of joy. They experienced tunnel painting, senior parent night, senior picnic, 12th night, class day, and graduation–some of the most important traditions at Meredith. Meredith has been their home and now it is time to move on. But Meredith will always be there. When they see this book I hope they will reflect on their entire Meredith experience. I hope they will learn from their reflections and will be strong, independent, and unique women.

Reflect on your time here at Meredith, using that reflection to grow and find yourself. Be the woman and the Meredith Angel that you are and spread your joy, your knowledge, your special being to everyone around you. Take your reflections from your time at Meredith to inspire and touch everyone you meet.
